- Submission of plans and revisions to the State Chancellor’s Office for review as required;
- The designation of the District employee or employees who have been delegated responsibility and authority for implementing the plan and assuring compliance with the requirements of this procedure;
- The procedure for filing complaints and the person with whom such complaints are to be filed;
- A process for notifying all District employees of the provisions of the plan and the policy statement required;
- A process for ensuring that District employees who are to participate on screening or selection committees shall receive appropriate training on the requirements of the applicable Title 5 regulations and of state and federal nondiscrimination laws;
- A process for providing annual written notice to appropriate community-based and professional organizations concerning the District’s plan and the need for assistance from such organizations in identifying qualified applicants for openings within the District;
- An analysis of the number of persons from “monitored groups,” as defined by Title 5 Section 53001(i), who are employed in the District’s work force and those who have applied for employment in each of the job categories listed below.
- An analysis of the degree to which monitored groups are underrepresented in comparison to the numbers of persons from such groups whom the State Chancellor’s Office determines to be available and qualified to perform the work required for each such job category and whether or not the underrepresentation is significant;
The steps the District will take to promote diversity in its workforce;
Methods for addressing any discrimination that is detected in the District’s hiring practices, and;
Additional steps to address any significant underrepresentation of monitored groups identified in the plan.

The plan shall be a public record.

**Annual Evaluation**

The District shall conduct an annual analysis of its employees and applicants for employment in order to evaluate progress in implementing the EEO Plan and to provide data needed for required analyses.

The District shall provide an annual report to the State Chancellor’s Office on the results of its annual survey of employees. The report shall identify each employee as belonging to one of the following seven job categories:

- executive/administrative/managerial
- faculty and other instructional staff
- professional non-faculty
- secretarial/clerical
- technical and paraprofessional
- skilled crafts; and
- service and maintenance.

All employees shall be provided the opportunity to identify their gender, ethnicity and, if applicable, disability. This opportunity must allow for employees to designate multiple ethnic groups with which they identify. However, each person may only be counted in one group for reporting purposes.

**EEO Advisory Committee**

The District shall establish an EEO Advisory Committee which will be comprised of a diverse membership whenever possible.

**EMPLOYMENT PROCEDURES**

**Job Analysis**

The Chief Human Resources Officer shall assure that a proper job analysis is performed for every job filled by the District to determine the knowledge, skills, abilities, and characteristics an employee must possess to perform the job satisfactorily.
A statement of bona fide essential functions and minimum qualifications shall be developed for all positions.

**Job Description**

Every job description shall provide a list of the representative job duties and responsibilities.

Job specifications shall include functions and tasks; knowledge; skills; ability; and job related personal characteristics, including but not limited to sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, disability, and ethnic backgrounds of community college students.

**Recruitment**

Recruitment must be conducted actively within and outside of the current District workforce.

Open recruitment is mandated for all full-time and part-time positions, except under limited circumstances involving interim appointments.

Recruitment must utilize outreach strategies designed to ensure that all qualified individuals, from all monitored groups, are provided the opportunity to seek employment with the District.

Recruitment for administrative and faculty positions (full and part-time) may include advertisement in appropriate professional journals, job registries and newspapers of general circulation; distribution of job announcements to the EEO Registry, K-12 districts, two and four year colleges, and graduate schools where appropriate candidates might be enrolled; recruitment at conferences, fairs, and professional meetings; notices to institutions and professional organizations that primarily serve members of monitored groups that are underrepresented in the District.

Recruitment for classified positions shall include notice to all District employees, notice to Employment Development Department, notice to local public agencies, and advertising on relevant websites.

**Applicant Pools**

The application for employment shall afford all applicants an opportunity to identify themselves voluntarily as to gender, ethnicity and, if applicable, their disability. This
information shall be maintained in confidence and shall be used only for research, validation, monitoring, evaluation of the effectiveness of the plan, or as authorized by law.

After the application deadline has passed, the initial applicant pool shall be analyzed to determine whether the desired representation has been achieved for monitored groups. If the recruitment efforts have failed to attract a sufficiently diverse applicant pool, the District, based on consultation between the Chief Human Resources Officer and the hiring committee members may extend the recruitment period and expand the recruitment efforts accordingly to improve the diversity of the applicant pool.

**Screening and Selection**

Screening, selecting, and interviewing candidates for all positions shall include thorough and fair procedures that are sensitive to issues of diversity. Pursuant to Title 5 Section 53024, whenever possible, screening committees shall include a diverse membership which will bring a variety of perspectives to the assessment of applicant qualifications.

- Hiring procedures will be provided to the State Chancellor’s Office on request.
- All job-related assessments and exercises conform to generally applicable legal standards for uniformity. A reasonable number of candidates are identified for interview.
- Selection committees are developed that are representative of the District community and campus; include a diverse membership; do not include persons who have written letters of recommendation unless the author of the letter can remain objective and neutral throughout the selection process.
- Every selection committee participates in an orientation with Human Resources which includes training related to conformance with EEO requirements. The Chief Human Resources Officer assures that the screening and selection process conforms to accepted principles and practices, including preparation of job related questions in advance; maintains records of screening checklists and rating scales, which shall be signed and kept on file; maintains notes for all interviews and record relevant factual reasons stating why a candidate was not hired or was not invited to interview; and monitors the hiring process for adverse impact.
- Selection shall be based solely on the stated job criteria.
Delegation of Authority

- The Chief Human Resources Officer shall be designated as the “EEO Officer” charged with overseeing the day-to-day implementation of the EEO Plan and programs.
- In the event the EEO Officer is named in a complaint or implicated by the allegations in a complaint, the Superintendent/President shall appoint an outside investigator to review the complaint.
