**ACCJC** — Accrediting Commission of Community and Junior Colleges. This is the primary accrediting body for the Santa Barbara Community College District. ACCJC is part of the Western Association of Schools and Colleges (WASC).

**AP** — Administrative Procedure: District administrative procedures implement Board Policy, laws, and regulations. They address how the general goals of the District are achieved and define operations of the District. They include details of policy implementation, responsibility, accountability, and standards of practice. Although procedures may be developed by the Superintendent/President, managers, faculty, staff members, and students, it is the administrators/managers who are held responsible for upholding the specific information delineated in the procedures. Procedures do not require Board action but should be vetted and approved through campus organizational processes.

**ASGSBCC** — Associated Student Government of Santa Barbara City College. The Student Senate plays an important role in the decision making process at the College while providing a wide variety of services and activities that enhance the total student experience. The Student Senate represents students' needs and concerns.

**BP** — Board Policy: Board policy is the voice of the Board of Trustees and defines the general goals and acceptable practices for the operation of the District. It implements federal and state laws and regulations. The Board, through policy, delegates authority to and through the Superintendent/President to administer the District. The Superintendent/President and District employees are responsible to reasonably interpret Board policy as well as other relevant laws and regulations that govern the District. Policy is best expressed in broad statements. It legally binds the District. Therefore, policy statements should be clear, succinct, and current. Board policies require official adoption by the Board of Trustees.
