

Communication Science

Evie Pazos Ramirez

Submitted by Sarah Hock

The Communication Department is thrilled to honor Evie Pazos Ramirez as this year's Outstanding Student in Communication with a Communication Science degree. Evie served as this year's Event Director for the Sigma Chi Eta Communication Honor Society where she helped lead numerous successful events for SBCC students. Evie is an incredibly hard worker who can always be counted on to follow through with excellence and integrity. She is also a natural leader who welcomes others and makes all feel included. We look forward to watching her shine in the years ahead. We are so proud of you, Evie! Congratulations from the Communication Faculty!
