One College: Accessing Class Rosters

Check and print rosters regularly to ensure attending students are officially registered.

Login to your SBCC Pipeline at http://www.sbcc.edu/. If you need assistance in logging in to your Pipeline, follow the instructions at “START HERE”.

Select the “Faculty” tab.
Click on “Class Management” and then “Current Class Rosters”.

Select the term, select the class roster that you would like to display for print and click “Create Roster”.

Print Your Own
Your official class roster reflecting all currently registered students will appear followed by the dropped student roster reflecting students who have dropped from your course.
