

Vocational Nursing

Selected Student: Victoria Gutierrez

Submitted by: Rosette Strandberg

Victoria has been outstanding throughout the 18-month Vocational nursing program. She works diligently and consistently exhibits a high level of critical thinking with the nursing curriculum. In the clinical setting she is professional, compassionate and ethical. Victoria integrates theory to clinical practice extremely well and provides excellent patient care. She communicates therapeutically with her patients and is a strong patient advocate. Victoria is also a tutor for the VN program. She eagerly offers her knowledge to help her peers succeed. Victoria will complete the VN program and graduate at the end of this semester. Congratulations Victoria!

Victoria's Words of Gratitude:

These past 18 months have challenged me and allowed me to grow in many different aspects. Each instructor has provided me with knowledge that I will carry on in my practice. Thank you all for your support. I couldn't have asked for a better group of classmates and instructors!
