- Virtual campus

Our commitment to you has never been stronger, and we are easily accessible during this time of transition. With plenty of options and opportunities to fit any schedule, you can experience SUNY from the comfort of your home. Even though we are unable to meet you in person right now, we remain excited to show you our campuses. You'll find virtual tours and open houses, chat and information sessions, and individual appointments and webinars. [The campus name](#)

- Virtual Study Abroad

Due to the cancellation of study abroad opportunities in the Winter 2020 and Spring 2021 semesters, virtual global learning opportunities are now available to SUNY students looking for an online international experience during the upcoming terms. Explore our virtual international opportunities below. [Register here](#)
