

Westmont College

Virtual Events

Virtual Event Series - (ongoing)

Westmont invites you to journey with us each month this fall for a unique and exclusive series of virtual events. Each session will build upon the prior and will give you the opportunity to experience every aspect of Westmont virtually! We highly recommend attending all of them in order, but there will be recordings available as well. These events are open to all high school students, transfer students and even parents!

- Financial Aid - Thursday, October 8, 2020 at 4pm PDT

- Schedule a Virtual Visit

While nothing compares to visiting Westmont in person, we are providing alternatives through virtual platforms. This includes virtual campus tours with current students and live online meetings with an admissions counselor. Live tours are Monday through Thursday at 3 pm. Admissions counselors are available to talk Monday through Friday, starting at 9 am.
